

The attached 2020 Marketplace Food Sampling and Sanitation Guidelines will help answer some basic questions.

Levy Catering is the inhouse caterer. Our contact is Christi Rath. You can work directly with her on your catering needs. If you served food at Marketplace 2019 in Louisville, Christi has your catering orders from last year. Her information is:

Christi Rath | Sr. Catering Sales Manager

crath@levyrestaurants.com

Phone: 402-599-6868

If you are shipping food samples in, The CHI Health Center Omaha requires you to provide a certificate of insurance. This is a sample of what you must provide: 2020 Marketplace Sample Insurance Certificate. The 2020 Marketplace Temporary Vendor Application must be completed as well. If you are serving hot food in your booth there is a \$69 vendor fee paid to the Douglas County Health Department. If you are serving cold food, there is no fee, but you must complete the form and return it to ABA.

If you are ordering all your food through Levy, you do not need to provide this Insurance Certificate or Vendor Application.

Of course, I am also available to help answer any questions and will also be working with Christi on your needs.

Please let me know if you have any questions or need further information at this time.
